The Owner/Occupier Hurricane Way Dear Sir/Madam,

HURRICANE WAY, WOKINGHAM – PEDESTRIAN CROSSING INSTALLATION

We wish to inform you that essential improvement works will shortly commence on Hurricane Way, Wokingham, which include the construction of a Zebra Crossing facility (and associated works). The works are being undertaken by Wokingham Borough Council as part of their on-going programme of local safety schemes and are being managed and delivered through the Wokingham Highways Alliance which comprises Wokingham Borough Council, WSP and Volker Highways Ltd.

The works are scheduled to take place between **Thursday 25th July 2019 to Friday 16th August 2019** (weather permitting), and will be carried out under a full road closure in order to ensure safety of the public as well as contractor. Diversion routes will be in place.

During working hours please be aware that vehicular access will be restricted.

Vehicular access will be maintained to properties during the works; however there maybe occasions when residents are asked to wait whilst certain works are completed. Further information will be provided as the work progresses.

Private Works

Please be aware that we have on occasions experienced situations where other contractors have claimed to be working for the council and have offered to undertake resurfacing of private driveways. The council's contractor has been instructed that they will not carry out private works. Please be aware, therefore, of anyone claiming to be Wokingham Borough Council's Contractor and offering to resurface your driveway. May we suggest that you only use recognised professional Contractors and verifies their identity before agreeing to this type of work.

We apologise for any inconvenience these essential works may cause. Every effort will be made to keep disruption to a minimum.

If this is likely to cause a major difficulty or concern, or should you have any other queries, are disabled or have special needs, then please do not hesitate to contact myself on 0118 974 6000.

Yours sincerely,

Adam Matthews Capital Schemes Project Manager Wokingham Highways Alliance
